# CLII

LOCAL COUNCIL  
ON IMMIGRATION  
AND INTERCULTURALITY  
at Valencia City Hall

## What is the CLII at Valencia City Hall?

The Local Council on Immigration and Interculturality, hereinafter **CLII**, is a body involved in matters related to immigration and interculturality. Its members, who attend plenary sessions of the CLII, are part of its permanent commission and working groups, are tasked with:

- Representing the immigrant population in the City of Valencia.
- Responding to enquiries and advising Valencia City Hall in immigration-related matters through the Councillor for Co-operation in Development and Migration.

The Council has the same territorial scope and sphere of competency as Valencia City Hall.

## How can I join the CLII?

Associations wishing to join the CLII must submit an application through the Valencia City Hall's electronic portal and provide the required documentation.

The application is available at the following link:

<https://sede.valencia.es/sede/registro/procedimiento/NC.NC.10>

## What are the CLII's objectives?

To create a space for reflection and co-ordination between Valencia City Hall and the various social agencies that work in the areas of immigration and interculturality.

To drive policy in matters of inclusion, coexistence and preventing discrimination, as well as to combat social and institutional racism and xenophobia.

To work for the freedom and the equality of rights, responsibilities and opportunities for all immigrant persons.

To facilitate and ensure the democratic participation of associations and all other agents involved in developing and promoting policies of inclusion and coexistence.

To promote actions that foster interculturality and social dialogue to recognise diversity as a sociocultural value or as an enriching factor for a diverse coexistence.

## Required documentation:

- Registered articles of association.
- Taxpayer Identification Number (CIF).
- Corresponding registration of the entity with the Valencian Community/Ministry.
- Agreement from the association's board of directors to apply to join the CLII.
- Record of the association's activity over the past year.

After confirming that the requirements are met, the plenary session of the CLII is responsible for approving the association's incorporation.
